P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

This Information Disclosure Statement ("IDS") is submitted to the Patent Office in accordance with the duty of candor and good faith under 37 CFR §1.56 and in support of a Request for Continuing Examination ("RCE"). A companion response to a Final Office Action is submitted concurrently, also in support of the RCE.

The cited information is listed in the accompanying list, submitted in duplicate. Each item of information is identified there by a unique "Item No." (A01, A02, ..., B01, ..., etc.) The Examiner is requested to return an initialed and signed copy of the list, indicating whether each item of cited information has been considered or not.

Copies of US patents and published applications are not being furnished, in accordance with the revisions to 37 CFR §1.98(2) as announced in the Federal Register, vol. 69, no. 182, pp. 56482-56547 (Sep. 21, 2004). If the Examiner should need copies of any of such patents or

CERTIFICATE OF MAILING UNDER 37 CFR §1.8

I hereby certify that this correspondence is being deposited with the United States Postal Service on the date given below with sufficient postage as first class mail in an envelope addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

patent applications, they will be provided upon request. (Copies of foreign patent documents and non-patent publications are enclosed.)

Where an item of information was cited in the specification, the citing paragraph(s) are identified in the "Cited at" column of the list.

The items of information listed include co-pending commonly assigned applications, as required under MPEP §2001.06(b). The Examiner's attention is drawn to US 2005/0148543 A1.

The citation of a particular item of information is not intended to be, and should not be construed as, an admission that such item of information is material to patentability as defined in 37 CFR §1.56 or qualifies as "prior art" within the meaning of applicable law. The materiality and "prior art" status of any item of information is a matter to be resolved during examination.

Consideration of the cited information in the examination of this application is respectfully requested.

Respectfully submitted,
